

COMPREHENSIVE GENERAL LIABILITY (CGL) PRODUCT OVEVIEW

During the day-to-day operations, your business is exposed to a variety of liability risks and these liabilities may result from your own actions or the actions of your employees, they can happen on-site or off-site, and in some cases involve your customers.

If the operation of your business causes injury to a member of the general public or damages their property, a claim may be made against your company. Liability lawsuits are typically complex and can be lengthy and costly to resolve. As most businesses simply do not have the necessary experience nor the resources to manage such claims, Comprehensive General Liability Insurance protection is essential.

Comprehensive General Liability Insurance (CGL) protects against liability claims for bodily injury and property damage related to your premises, operations, products, completed operations as well as advertising and personal injury liability.

TYPICAL COVERAGES

Bodily Injury To Third Parties

Includes bodily harm, sickness, or disease, including resulting death that results from the operations of your business.

Property Damage To Third Parties

This coverage extends to instances where the insured's business operations or activities cause damage to another person's property. The policy helps cover the costs of repair, replacement, or compensation for the damaged property, along with legal defense costs.

Products Liability

The liability for bodily injury or property damage incurred by a merchant or manufacturer as a consequence of some defect in the product sold or manufactured.

Products/Completed Operations

If a business produces or installs products as part of a project, completed operation liability insurance covers damages caused by defective or dangerous products. This also protects businesses from liabilities that may arise after a project has been completed. It primarily covers injuries or damages that occur as a result of completed work or services delivered.

Hired and non-owned auto

Typically, the coverage for hired and non-owned auto includes bodily injury coverage compensates for medical expenses, rehabilitation costs, and potential lawsuits resulting from injuries, on the other hand, compensates for damages to third-party property caused by the rented, leased, or non-owned vehicle.

Contractual Liability

Defined as coverage for the named insured's liability that is created when it assumes, in an oral or written contract, the financial consequences of another's negligent acts or omissions that results in bodily injury or property damage to a third party.
