YOUR RISK, OUR FOCUS

Professionalism . Integrity . Innovation . Development

At AMG, the Core Values that guide us toward our Vision and help us achieve our Mission are:

PROFESSIONALISM

We take pride in our insurance profession and in delivering professional services. Being competent and knowledgeable about insurance and risk solutions is just the starting point for us.

Any solution we recommend will be carefully considered and will be appropriate to client's overall needs.

INTEGRITY

Honesty and moral character are at the core of what we do. Because we're dealing with people and their most valued possessions, integrity has to be integral to every part of our operation.

INNOVATION

We search for new ways to protect what's of value to our client. We believe that to fully meet our clients needs we must anticipate them. We must be proactive rather than reactive and look for solutions beyond the everyday.

DEVELOPMENT

We develop strategic, timely and effective risk management and insurance programs in terms that are easy to understand, and we demonstrate how the solutions can have positive economic impact.

WE ARE AMG COMPANY

2015

The Founding Years

AMG Insure Broker Company was founded in the year 2015 by a group of BMW Amorn Prestige with a vision to provide top-notch insurance brokerage services. The company started small, with a handful of employees working diligently to establish a reputation for excellence in the industry.

2018

Adapting to Changing Markets

By 2018, AMG Insure Broker Company had changed its structure to be in line with the highly competitive business situation. The main working team is divided into 4 departments, namely, Consumers, Corporate, Benefits and Claims.

2022

Expansion and Growth

AMG Insure Broker Company had experienced steady growth in its client base and reputation. The company expanded its services to include a wider range of insurance products under Specialty and Reinsurance Department. This expansion strategy proved successful, leading to an increase in market share and revenue.

WHO WE ARE

AMG is one of leading providers of insurance protection for specialized professions and complex risks. We believe our expertise, our products, our people and our carefully selected partners allow us to deliver a bespoke and compelling insurance solution to our clients.

We are professional insurance broker and risk consultant. We advise businesses and individuals on how to prepare for the unexpected.

Our clients benefit from our ability to negotiate broader, more cost-effective insurance programmes and up-to-date risk management and insurance advice that accurately mirrors their needs. We work hard to nurture and grow our relationships and always work in close partnership with insurers.

WHAT WE DO

We provide risk management, risk consulting, insurance broking, insurance program management and claims advocacy services.

We work with clients of all sizes to identify risks, create risk management, benefits optimization, insurance programs management and deliver innovative solutions to better qualify and manage risk. Our experienced professional work with client to review risk and existing protection program to provide a customized insurance program based on client need.

Our deep specialist knowledge and extensive experience of both the insurance market and our clients' own industries and sectors enables us to ask smarter questions, innovate and deliver better results.

AMG teams are working with you to protect and move your business forward, our ability to bring best-in-class solutions and services to you.

OUR SERVICES

AMG provide risk management, risk consulting, insurance broking, insurance program management and claims advocacy services including:

RISK IDENTIFICATION

Help you to determining what type and amount of risk management insurance is needed for your business involves identifying business assets and operations, identifying threats or events that could affect the company.

INSURANCE PROGRAM DESIGN

Once the risk identification and assessment is carried out, it serves as a guide to structuring the insurance program according to your real needs. We take time to design and implement the most appropriate optimum risk financing solution.

INSURANCE PLACEMENT

We works closely with the insurance market to design and implement insurance and risk solutions, secure comprehensive coverage and negotiate competitive premiums for all your insurance and risk management needs.

INSURER SECURITY SELECTION

We evaluate a prospective insurer's financial strength before placing a policy and recommend you to purchase insurance to protect you financially and provide peace of mind.

CLAIMS MANAGEMENT

Provide claims support, including claim settlement advice, negotiation with insurers and loss adjusters to get the your compensated fairly in the reasonable time framework.

UPDATE CHANGED

Advise client of legislative changes or legal decisions which may impact the insurance program or risk profile and provide ongoing advice on material changes and developments in local and global insurance markets.
